Subject: Re: Vermont Ave Street Improvement _ Ground Breaking Ceremony

Hello Everyone,

I have some bad news regarding this weeks start of construction on Vermont Project. The Contractor will not be able to mobilize some of his sub-contractors for start of construction this week. Therefore, this also means that we need to re-schedule our Groundbreaking Ceremony schedule this Thursday October 6th. I would like to apologize for this unexpected condition with the project.

I have scheduled a meeting with the Contractor and City Inspector today to review their new schedule and construction methods being proposed to compensate for the lost of time this week. The Contractor, proposed a 3 to 4 day Temporary Traffic Control (with cones and signs). However, our design review team suggests that the proposed Temporary Traffic Control Plan be implemented through a weekend to minimize the impacts of peak hour traffic on Vermont Ave. Thus, the tentative suggestion is to have this Temporary Traffic Control Plan implement from Friday, October 14th to Monday, October 17th.

This now limits our Groundbreaking Ceremony from Friday, October 14th to Monday, October 17th. My conversation with the Contractor was coordinating efforts if possible to have it on Friday, October 14th. I would like to get everyone feedback on this matter. What is the best date and time to re-schedule our Groundbreaking Ceremony, based on potentially mobilizing Friday, October 14th to Monday, October 17th. Once again I would like to apologize to everyone for the inconvenience that this changes may cause. Please feel free to call me if you have any question or concerns.

Thanks and have a great day.

Hello Everyone,

We have been working closely with the contractor to confirm that they will have the work-site ready for us to host our Groundbreaking Ceremony on October 6th at 10 am. As of this afternoon, they are telling me that things look good but need to coordinate some details with one of their sub-contractors. They will be able to give a better understanding by next week Monday. I will updated everyone by Monday.

Thanks you and have a great weekend,

Subject: Vermont Ave Street Improvement _ Ground Breaking Ceremony

Hello Aram & Jeff,

I just wanted to coordinate some details with you gentlemen regarding the Project Ground Breaking Ceremony. The tentative date for the Ground Breaking Ceremony has been scheduled by the contractor on Wednesday, October 5th. In a previous meetings we determined that the Ground Breaking Ceremony will be held at the proposed median island at Delongpre Ave & Vermont Ave. I would like to coordinate the following details with you:

1) Assuming the date does not change, we need to determine a time for the ceremony. **We are hoping for an 11am groundbreaking. Leron has to be at a grand**

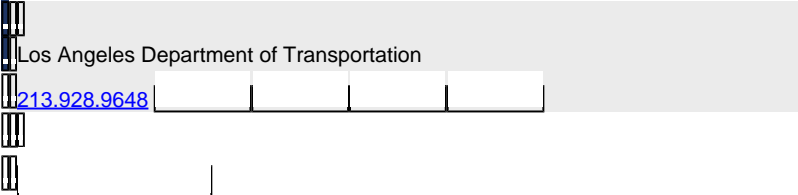

opening ribbon cutting at 1pm

- 2) Do we still want the individuals involved to be able to turn dirt over? **YES!** If so, I need to coordinate these details with contractor because he will need to dig down about 12 to 18 inches of the street to reach dirt. **We would like to have all the asphalt removed at the De Longpre Median for the Ground Breaking Ceremony. If the contractor needs a day or 2 more for the complete removal of the asphalt, let us know.**
- 3) How many individuals do we expect to be involved with the ceremony? **I ordered 20 hard hats with the EHBID logo – so at least 20... maybe more** I need to notify the contractor how much area to dig out for the ceremony.
- 4) Head count of individual is also needed to ask contractor for shovels. **20 shovels for those wearing the EHBID hard hats would be ideal.** Unfortunately, the contractor does not have the gold painted shovels, is this OK with the group? **Sure – No Problem. As long as they are all the same type of shovel.**
- 5) Who will be sending out the invitations for the Ground Breaking Ceremony? **Our executive director – Nicole Shahenian will send out the invitations.**
- 6) Do we need anything else such as City Podium with speaker system for the ceremony? **Sure - a podium looks good in photos**

Please let me know if there is any other items that I am missing that you would like to coordinate for the ceremony. I spoke to the contractor yesterday and he is pushing forward start construction work next week, I will keep you posted if all continues as planned. If you have any questions, please do not hesitate to call me.

Thanks,

The image shows the Los Angeles Department of Transportation logo, which consists of a stylized 'L' and 'A' forming a square. To the right of the logo, the text 'Los Angeles Department of Transportation' is displayed. Below the logo, the phone number '213.928.9648' is shown in blue, followed by a small graphic of four white squares arranged in a row.

A horizontal number line with arrows at both ends. It has major tick marks labeled 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10. The segment of the line between the tick marks for 3 and 4 is shaded in blue.
